## LIQUORS, CIGARS.

### Come to the Fair.

"Hurrah for the Fair," the old farmer shouts,
As Dobbin is driven up close to the door,
And pumpkins, etc., are piled in the cart,
All gathered with care from the old farmers store.

Then come to the Fair, let us see what you have,
We've a welcome for all, maid, matron and sire,
Bring your horses and daughters, your oxen and sons,
Our motto is "Forward" and forward means higher.

And when to our city, the pride of the West,
And viewing the sights and notions so rare,
You will want a Cigar to give zest to your taste,
And add to the notions you feel in the Fair.

It needs but a trial to point out the place,
Our Cigars are selected with excellent care,
Then remember our store with its "native" in front,
And glance at our card when you visit the Fair.

IS STILL IN FULL BLAST, WORKING DAY AND night to supply the daily increasing wants of the Badger and other States.

In order the better to do this, the proprietors have erected a large brick Foundry in addition to their former premises. They have added to their stock of Tools a large Planing or Shaping Machine, three Lathes and a Machine for making bolts, and are now putting in a Steam Engine of — horse power to drive the whole, thereby adding to the former facilities for the successful carrying on of the Foundry, Machine, Engine and Blacksmithing business. They never were in a better position for doing business, and

**DEFY COMPETITION**

in any department.

In regard to the character of the work got up by this **The Oldest Establishment in the State** the Proprietors refer to that in successful operation through the country as their best recommendation, as it can speak for itself. All they can say is, that they are both PRACTICAL MECHANICS, and know how work should be done as well as the next man.

They continue to manufacture FLOUR and SAW MILL GEARING, and STEAM ENGINES, on the most approved principle.

They have always on hand a large stock of BRASS WORKS, such as GUAGE AND CYLINDER COCKS, OIL CUPS AND COCKS, and STEAM WHISTLES. Also TURTON'S PATENT, which they will sell at the lowest cash price.

They are also Agents for EASTMAN'S PATENT STEAM GUAGES, which are well worth the attention of all those who use Steam Engines.

In conclusion, they invite a continued share of the patronage of their old friends, and solicit a call from all those in want of Saw or Flouring Mill Work, assuring them that no exertions will be spared to render the Old Eagle worthy of the reputation it has already gained.

Their motto is, "*Excelsior.*"

### Funeral of the Late Solomon Juneau.

To-morrow is the day appointed for the obsequies of the late SOLOMON JUNEAU. The Military Companies, the Fire Department, the Benevolent and Civic Associations, the Trades and Professions, the Authorities and Citizens of Milwaukee, all are invited to take part in the pageant. The invitation is an unusual one, and so is the occasion for it. Mr. JUNEAU was the first white settler of Milwaukee, coming hither in 1818, and living here with his family, in the midst of the Indians, with no other white settler nearer than Chicago, till 1833. It is from this last year, just at the close of the Black Hawk war, that the settlement of Milwaukee dates. Mr. JUNEAU continued to reside here, watching our young city grow up, with magic celerity, around him, and occupying successively the offices of Postmaster and Mayor. A few years since he removed to Theresa, Dodge County, always intending, however, to return to Milwaukee and spend here the evening of his days. *One year ago* he lost his wife, the faithful and attached companion of his youth and manhood and the mother of his fourteen children. She died and was buried in this city; and to-morrow his remains will be placed in the same cemetery where hers repose.

It is rare indeed that a *city of forty* thousand inhabitants has the opportunity of paying the last mark of respect to its founder and first settler. And in this instance, at least, those funeral honors will be worthily bestowed. Mr. JUNEAU, while he lived, enjoyed a wide and well deserved popularity throughout our State, and in his death he has left to his children the precious legacy of an unsullied reputation. Let Milwaukee, then, render a fitting tribute to-morrow to the memory of SOLOMON JUNEAU. Let her stores and places of business be closed during the funeral ceremonies. Let the shipping in her ports and the public buildings in her streets, display their colors at half-mast. Let the bells of her numerous churches toll their parting knell as the procession moves on its mournful way. Let her citizens, magistrates, military, fire and civic associations, all unite in the funeral pageant. And when, amidst the unaffected regret of all who knew him, the remains of SOLOMON JUNEAU shall have been committed to the grave, let a fitting monument rise over the spot to commemorate his life and labors, and to record the grateful remembrances of his fellow-citizens.

### Work for the Legislature.

The Legislature which meets January 14, 1857 is largely Republican, and will of course by its action reflect credit or discredit upon the party in the majority; and hence its meeting will naturally be looked forward to with a great deal of interest. The average character for ability which is conceded to a large number of the members, and the fact that almost or quite a quarter of them have been heretofore *members of the* Legislature, in one house or the other, give good reason for hoping *for a reasonably short session*, and one which will be of lasting benefit to the people. We propose to say a few words now and then, between this time and the opening of the session, in regard to sundry matters which, as we think, are deserving of the attention of the Legislature.

For years past, we have endeavored, in common with other presses, of both parties, to impress upon members of the succeeding Legislatures the plain teachings of the Constitution in regard to Local Legislation.

*Article XI*, Sec. 1, of the Constitution, reads as follows:

"*Corporations without banking power or privileges may be formed under general laws*, but SHALL NOT *be created by special act*, except for municipal purposes, and in cases where, in the judgment of the Legislature, the objects of the corporation cannot be attained under general laws."

The objects of the provision—to keep away from the Legislature a host *of small matters* which can be attended to by local boards with surer justice to the people—to avoid the granting, and the corrupting influence of contests for grants, of special privileges—and the saving of time and money to the people by insuring short sessions of the Legislature, *are plain enough*.—The *theory* is excellent—the *practice* quite the contrary; for the Statute books are encumbered annually with hundreds of local laws, which members manage to get through both houses, in despite of the Constitutional provision above quoted, it being found easy enough to get the "judgement of the Legislature" in favor of the necessity of such Legislation, when, as is usually the case, members all come to Madison with their pockets full of bills of the kind mentioned. Perhaps it is too much to hope that the Legislature soon to assemble will improve upon the acts of its predecessors in this respect.

We think it is high time to correct the glaring evils of our Assessment system—or lack of system—under which it is notorious that not the slightest attention is paid to placing a just valuation upon real and personal estate—and under which a board of State offices annually go through with the farce of "guessing up" the property of the people of the State to an aggregate which they suppose to be more nearly the true value than that which is placed upon it by the town assessors. The last named officers notoriously place the valuation much too low—while the State Board can only guess at what it ought to be. We are certain that the careful and shrewd men of this Legislature can, if they will, devise an Assessment Law which shall be equitable and practicable, and give good satisfaction to the people of the state; and we are sure that such a law is needed.

We think that steps ought to be taken to establish some different arrangement for the auditing of accounts against the state, relieving the Legislature from the very heavy cost of examining and passing upon hundreds of small accounts at each session—in relation to which the cost of printing the bills, passing them through the Committees and in their different stages through the Legislature, is frequently *five times* the amount of the original bill.

Is it not, also, time that a new arrangement of the tariff of salaries of the officers of the *various departments* should be made? If any such change is to be made, it must be done at the next session, to take effect in relation to the officers to be chosen at the election a year hence. The salary of the Governor is notoriously small and narrow, and no man can remove his family to Madison and live upon that salary, with a decent regard to the proprieties and courtesies belonging to the office. The State of Wisconsin can afford to pay, and ought to pay, her Executive a *fair salary*. The salary of the Treasurer is shamefully low, as established by law, though we are aware that extra allowances are resorted to annually, to make it up to a decent amount. We are also aware that, by fees from the School Land operations, the Sec'y of State, Treasurer, and Att'y General have realized large sums in past years—how large is only matter of conjecture. The salaries of these officers should, in our judgment, be fixed, and the fees go to the general fund, out of which all the officers and clerks shall be paid.

We trust that such of the newly elected members as may read these suggestions will give them due consideration.

### What is Expected of the Democracy.

Since Mr. Buchanan is elected President, it is no matter of regret to us that his party has a full working majority in both Houses of Congress.—We expect to see the problem of Slavery extension worked out during his administration, and it is as well that the allies of the Slavery interest have such a majority that the responsibility is thrown upon them. The people will watch anxiously for the developments of the future.

The declarations of leading Southern presses furnish us daily with indications of the policy which they will insist upon. In this view, we invite attention to the following extracts from an article in the New Orleans *Delta*, one of the ablest journals in the South. That paper says:

> We have only four years to prepare for the great contest of 1860. Give Walker the power, and he will solve not only the *Central American* question, but with it that of Cuba. Once firmly established in Nicaragua, he will restore the West Indies to their original condition, as slave colonies. It can be demonstrated that the comparative decline of New Orleans commenced with the abolition policy of England in the American tropics. It only requires the defeat of Walker in Nicaragua and the Africanization of Cuba to make the decline more than comparative, *perhaps irretrievable*. It only requires, on the other hand, the re-organization of Central America, as a slave-producing country, with the redemption of the West Indies *from negro barbarism*, to make New Orleans the centre of a vast tropical empire, and to realise, in connection with the Pacific trade, the advantages to which she is geographically entitled. This is a work for the Southern party. We have shown our power in national politics; let us give it practical direction at home.
>
> * * * * * * *
>
> The future is yet a problem. Assuming Mr. Buchanan's election to be a certainty, the horizon is still misty. But of this we feel sure; the northern reaction against Fremont is due to the resistance policy; and the *Delta*, and other so-called extremists and disunionists of the South, have been the true Union savers.

"A distinguished Louisianan," writing to the *Delta* from Washington, finishes his letter as follows:

> "But the time is now past to discuss this matter (disunion.) A truce of four years to words—let us go into action—make our terms, based on the Constitution—and determine not to have peace till these conditions, just in the eyes of Heaven and man, are subscribed to by the whole country. The existence of the Union depends upon it. I say for one, and "I say it boldly," "*upon the extension of Slavery hang the equality and very existence of the South*"—*the extension of Slavery is the most effective Union-preserving plank that can be dove-tailed into the Democratic platform. Let us have it in by* 1860."

Wait and watch! friends of Freedom! Sentinels upon the watch towers, we promise to give you true information from time to time of the movements of the enemy. Be sure that there is work to be done four years hence by the great party, which, with an imperfect organization and but two years existence, has almost won a victory—to which the contest just past is but the pastime of children. Close up the ranks again, then, and stand ready for the day of need!

### Vote and Population of Different States.

INEQUALITIES OF REPRESENTATION.

The following table shows the number of the Electoral votes and the white population (according to the U. S. census of 1850) of the several States of the Union:

| | Electors. | White Pop. |
|---|---|---|
| | BUCHANAN | |
| Alabama, | 9 | 426,514 |
| Arkansas, | 4 | 162,189 |
| Delaware, | 3 | 71,169 |

| | FREMONT | |
| Connecticut, | 6 | 363,099 |
| Iowa, | 4 | 191,881 |
| Maine, | 8 | 581,813 |
| Massachusetts, | 12 | 985,450 |
| Michigan, | 6 | 395,071 |
| New Hampshire, | 5 | 317,456 |
| New York, | 35 | 3,048,325 |
| Ohio, | 23 | 1,955,050 |
| Rhode Island, | 4 | 143,875 |
| Vermont, | 5 | 313,402 |
| Wisconsin, | 5 | 304,756 |
| | 114 | 8,619,828 |
| | FILLMORE. | |
| Maryland, | 8 | 438,296 |
| | NOT HEARD FROM. | |
| California, | 4 | 69,610 |

This table, it will be observed, is based upon the U. S. census of 1850. But vast changes have occurred since that enumeration was made, and the Northwestern States, especially, have gained enormously in population. Thus Wisconsin, which had only 304,765 inhabitants in 1850, now, in 1856, has certainly 700,000, and according to the last ratio of representation, would be entitled to SEVEN, instead of THREE Representatives, and to a proportionate augmentation of the Electoral vote.

It is instructive to compare the popular vote just cast in some of the States of the Union, with their vote in 1852, and the number of Representatives they now have in Congress. We take such returns as we have at hand:

| States. | Vote in '52. | Vote in '56. | No. Rep |
|---|---|---|---|
| Vermont, | 43,795 | 50,761 | 3 |
| New Jersey, | 83,161 | 100,153 | 5 |
| Maryland, | 75,099 | 86,858 | 6 |
| Connecticut, | 66,768 | 80,325 | 4 |
| Maine, | 82,182 | 115,000 | 6 |
| New Hampshire, | 52,839 | 71,139 | 3 |
| Wisconsin, | 64,712 | 120,000 | 3 |

It will be seen that Wisconsin casts a much heavier vote than any of the States in the above list, though several of them have twice as many Representatives in Congress. A comparison with the popular vote of the Southern States, (of which we have not yet received the official figures,) will show still more clearly these inequalities of Representation.

MILWAUKEE AND GALENA R. R.—The Common Council of Galena have authorized the issue of $100,000 of city bonds in aid of the Galena and Southern Wisconsin R. R. There *is no longer* any doubt that with a good working season Milwaukee and Galena will be connected by iron bands, within the next year. The influence of this new and important enterprize, upon the fortunes of our city, cannot be over-estimated.

### MATTERS IN KANSAS.

#### The Land Sales.

QUARREL AMONG THE OFFICERS.

The St. Louis *Democrat* of Monday last contains a long and interesting letter from its Kansas correspondent, under date of Leavenworth, Nov. 15th. He reports that the sale of the Delaware tract was to commence on the Monday following (17th instant); that the tract embraces *two millions* of acres of very valuable land, appraised by commissioners at from $1,25 to $10 per acre, and the whole averaging $1,75 per acre; that the squatters settled upon these lands have combined for mutual protection, designing to get their lands at the appraised prices and to allow none to bid upon them; that large sums have been sent into Kansas to invest in the lands; that the town is full of Eastern and Southern men, all eager to buy; and that, it is estimated 5000 persons will attend the sale and *three and a half millions of dollars* be disbursed in the purchase of the lands.

The same writer gives further particulars of the quarrel between Gov. Geary, Chief Justice Lecompte and Marshal Donelson. The former, it appears, upon hearing that *Charles Hays*, the cold-blooded murderer of Buffum, had been *admitted to bail* by Judge Lecompte, ordered the Marshal to re-arrest him *forthwith*. The Marshal refused to obey the order, pleading want of authority in the Governor to give and in the Marshal to execute, such an order. Inasmuch, however, as the Governor had threatened to suspend the Marshal, or procure his removal, if he disobeyed this order, Mr. DONELSON *resigned* his office.

The account concludes thus:

This affair is likely to create considerable excitement at Lecompton among the territorial officials. The Governor sent Col. Titus out with six men; they were successful in finding and arresting Hayes. He was taken to Lecompton for confinement. Hugh M. Moore, Esq., counsel for the prisoner, set about to procure his release, and for that purpose he came to this city to see Judge Lecompte, and have him issue a writ to take him out of prison. The judge will probably do it, and the governor will undertake the task of preventing its execution.

His excellency claims the right to put his veto upon the doings of the judiciary, if it does not please him; and, like old Jackson, takes the responsibility for his assumption of power.

The final termination of this affair is looked for with great interest by our people. It is believed that it will eventually end in the removal or resignation of one or both the parties concerned. Both the executive and chief-justice are men not at all disposed to give up a position once taken, whatever the consequences may be.

Our people justify the governor for interposing his authority to put a stop to the onesided and unjust action of Lecompte in his persecution of free State, and granting favors to pro-slavery men—imprisoning one party and releasing the other when charged with the same offences. The governor's promptness and energy in arresting Hayes, and bringing him to justice in spite of Lecompte's opposition is to be commended, even if we cannot *fully understand* where he gets his authority for superseding the judiciary of the territory. Marshal Donaldson has resigned, and is now in this city.

Yours, ESSEX.

GUBERNATORIAL APPOINTMENT.—Gov. Bashford has appointed Byron Paine Judge of Milwaukee County, in place of C. E. Jenkins, the late incumbent of the office. Mr. Paine is a venomous Abolitionist of the Booth and Garrison breed. Not one quarter of the people of Milwaukee County would ratify this appointment if submitted to them.—*Oshkosh Courier.*

This spiteful paragraph is from a "Barstow" sheet, which has lost its temper with the election. Every other paper, Republican or Democratic, which has noticed the appointment in question, has spoken justly and approvingly of it. And as to "the people of Milwaukee County," they are entirely satisfied with the selection. BYRON PAINE is esteemed by his fellow-citizens of all political parties, as an honest, upright and capable man. The Governor has done himself credit and given satisfaction to the public, by the appointment.

THE NEW COLLINS STEAMER ADRIATIC.—A statement was lately published in the New York *Times* to the effect that the upper deck of this splendid steamship would have to be taken off to allow of certain alterations found necessary in her machinery, and that her first voyage will be delayed till spring. Mr. Allen, the builder of the engines, contradicts the statement in the N. Y. *Mirror*, and says "the engines have not yet had steam on, and there is no reason to suppose that they will prove unworthy of the noble vessel they are to propel."

MELANCHOLY SUICIDE.—The Lockport Courier learns that Truman K. Waldbridge, of the 4th Artillery, U. S. Army, was found dead in a forest near Geneva, on Sunday last, having terminated his life with his own hand, by the discharge of a pistol. Lieutenant Waldbridge was a son of Henry Waldbridge, Esq., of that town. He was educated in the Military Academy at West Point, where he graduated with great credit, in 1848

A DAILY AT RACINE.—We acknowledge the receipt of the first number of the *Racine Daily Journal*, a very handsome seven column paper, just started by Messrs. HULETT & HARRISON. It is independent in politics and designed to be a first class commercial newspaper. RACINE, now the second city in our State, ought to support a Daily paper handsomely and the *Journal* bids fairly for the public favor and patronage.

TEMPORARY SUSPENSION.—Our cotemporary, the *Free Democrat*, has "suspended" for four days, preliminary to a change of location and a re-appearance in new dress and enlarged form. The first number of the new series will appear on Monday next.

MORE THAN THEY BARGAINED FOR.—The Boston Atlas says those who went to Montreal to see the *grand trunk* got more than they expected, and were treated to a view of the *entire elephant.*

APPOINTMENT FROM WISCONSIN.—The New York papers of the 24th announce that CALEB CROSWELL, of Wisconsin, has been appointed by the President Consul at St. Petersburg. Mr. C. is a brother of Edwin CROSWELL, for many years the leading editor of the Albany *Argus*.

### Election in Indianapolis.

The Municipal Election held in Indianapolis on Saturday, resulted in the triumph of the Republican ticket by about one hundred and fifty majority. WILLIAM J. WALLACE, is elected Mayor, and FREDERICK STEIN, City Clerk. Previous to the election, the Democrats were *very confident* of carrying the city.

FINE THOUGHT.—Dickens, in his "Little Dorritt," tells us that a tender word "dropped like a heavy stone into the well of Clenham's heart, and splashed the water into his eyes."

### Model Townships.

We challenge the Republicans of any county in the West to produce seven townships that gave so large a per cent. of their votes to Fremont as the following, in this (Cook) county, viz:

| | Fremont. | Buchanan. |
|---|---|---|
| North Chicago, | 17 | 0 |
| Maine, | 126 | 8 |
| Palatine, | 187 | 2 |
| Elk Grove, | 117 | 8 |
| Bremen, | 90 | 1 |
| Leyden, | 163 | 5 |
| Hanover, | 94 | 5 |
| Total, | 794 | 29 |

—*Chicago Tribune.*

That was a noble vote, indeed. We are not sure but *Adams County* in this State may make as good a show. Waushara county does nearly as well—*for instance*.

| | Fremont. | Buchanan. |
|---|---|---|
| Coloma, | 57 | 0 |
| Mt. Morris, | 82 | 7 |
| Rose, | 21 | 0 |
| Springvale, | 70 | 2 |
| Sylvester, | 60 | 0 |
| Oasis, | 87 | 8 |
| Plainfield, | 89 | 10 |
| | 446 | 27 |

The towns of Sharon and La Grange, in Walworth county, gave 492 for Fremont to 47 for Buchanan. The towns of Spring Valley and Union, in Rock county, gave 493 for Fremont to 30 for Buchanan.

### Progress of Janesville.

We have been so much engaged of late with political matters, that we have omitted to notice many items of interest transpiring in our midst. At no former time has Janesville presented such an aspect of substantial progress. Hitherto we found little difficulty in giving a detailed account of the various improvements being made. The task is now too arduous to be undertaken with impunity. We shall not, therefore, venture upon it. Some of them, however, are of a nature to require a passing notice. Among them are the splendid bridges across Rock River. Of these there will be three erected the present season. One of them—the bridge of the C. St. P. & F. du L. R. R. Co.,—is a noble structure, nearly 80 rods in length, and is already completed. Of the two others, neither of which is yet finished, one is also a railroad bridge, belonging to the M. & M. R. R. Co., and the other a common road bridge being built by the city. The Hyatt and Ford Houses are also structures partaking of a public nature, and should not, therefore, be overlooked in noting the progress of our city. Of these the Hyatt House alone will cost, when completed and furnished, not less than $130,000, and will be the largest and best managed hotel in the Upper Mississippi Valley.

The Gas Works are a new feature in our city, and have been built with great care, and in a very thorough and scientific manner. The city is now being rapidly provided with the necessary pipes to convey it wherever it is needed—the business part of the city being already beautifully lighted with it. The State Institution for the education of the Blind, located in this city, is a noble structure, and has been so far completed within the year as to present quite an imposing appearance. To the number of public school buildings previously built in the city have been added two commodious primary school edifices at a cost of about $13,000, each of which will accommodate about 350 pupils.

In population the city has increased from 40 to 50 per cent, during the past year. In June, 1855, we had but little over 7,000 inhabitants. According to the most reliable estimates, we now number over *10,000*. *But it is not in numbers alone* that we begin to present a formidable character.—*Free Press.*

### Nebraska Election.

We have not received full returns from the territory at large yet, and therefore cannot give any satisfactory result.

There was *no organization of political parties* in this part of the territory, and we think there was none in the northern portion, but if the lines had been drawn, and sectional questions kept out of the canvass, we are confident the vote would have been strongly Republican.

South of the Platte, we know it to be strongly free State. The members elect of the legislature, as far as heard from, are *mostly free state* men.

J. S. Morton, of the *News*, who is the mouthpiece of the border ruffians in this vicinity, and who slandered the Kansas emigrants, ran for the legislature, in this county, and was beaten handsomely by his free state opponents. This shows how he stands among his fellow citizens in his own county. He, and all who sided with him, were badly beaten, notwithstanding their extra exertions to carry their men and principles through, by an endless variety of tickets, each of which bore their names as prominent candidates, which tickets were distributed in *every direction*, and "Julius" visited nearly every voter in the county. "Truths are mighty and will prevail."

The persons elected to the legislature from this county are as follows:

Territorial Council—Allen A. Bradford, Mills S. Reeves.

Joint Councilman for Otoe, Cass and Dodge counties—Jacob Safford.

Representatives—Wm. B. Hail, J. C. Ellis, H. P. Downs, J. D. White, H. C. Cowles, L. L. Gibbs.

County Commissioners—John Armstrong, G. W. Bailey, Wm. Kennicott.

Justice of the Peace for Wyoming.—Hiram Hurst.

Constables—J. S. Somes, Wm. Keplinger.—*Wyoming (N. T.) Telescope, Nov. 15.*

### The Frauds of the late State Canvass—Who is Hit?

The Madison *Patriot* of Tuesday contains the following paragraph in reference to the late indictments at Madison:

☞ The readers of the Patriot are aware that the late Board of State Canvassers and Judge Haswell of Pierce County, have been indicted at the late session of the Grand Jury in this County, *for frauds in the canvass* for Governor last year. The frauds relate to the celebrated Supplemental returns. If, when these cases come to trial, the facts developed should implicate some of those who recently purchased, and got control of the Mil. News, it may explain some things that as yet, appear mysterious to the uninitiated. Our readers probably recollect that *Waupaca County* was *represented in the last* State Convention, by a bogus delegate, and they also probably recollect who that delegate was.—The members of the Legislature and the citizens of Madison, may also remember some of the *anxious faces from abroad* that hurried around the Supreme Court room during the *quo warranto* trial. If it should turn out that those persons had perhaps a personal interest in the developments that might come out, the appearance of those anxious faces may be explained.—Those developments may also explain why there is so much ill temper towards, and bitter attacks made upon, *the Patriot by the Forty Thieves.*

### The Inquisitive Yankee.

A gentleman riding in an Eastern railroad car, which was rather scarcely supplied with passengers, observed, in a seat before him, a lean, slab sided Yankee, every feature of his face seemed to ask a question, and a little circumstance soon proved that he possessed a most "enquiring mind." Before him, occupying the entire seat, sat a lady dressed in black, and after shifting his position several *times*, and manoeuvering to get an opportunity to look into her face, he at length caught her eye—

"In affliction?"

"Yes, sir," responded the lady.

"Parent?—father or *mother*?"

"No, sir."

"Child, perhaps?—boy or girl?"

"No, sir, not a child—I have no children."

"Husband, then, I expect?"

"Yes," was the curt answer.

"Hum!—cholery?—a tradin' man may be?"

"My husband was a sea faring man—the captain of a *vessel*; he didn't *die* of cholera, he was drowned."

"Oh, drowned, eh?" pursued the inquistor, hesitating for a brief instant.

"Save his chest?"

"Yes, the vessel was saved, and my husband's effects."

"Was they?" asked the Yankee, his eyes brightening up.

"Pious man?"

"He was a member of the Methodist church."

The next question was a little delayed, but it came.

"Don't you think you have a great cause to be thankful that he was a pious man and saved his chist?"

"I do," said the widow, abruptly, and turned her head to look out of the window. The indefatigable pump changed his position, held the widow by his glittering eye once more, and propounded one more query, in a little lower tone, with his head slightly inclined forward, over the back of the seat, "Was you calculating to get married again?"

"Sir," said the widow, indignantly, "you are impertinent!" And she left the seat and took another, *on the other side of the car*.

"'Pears to be a little huffy!" said the ineffable bore, turning to our narrator behind him.

"What did they make you pay for that umbrel you've got in your hand?"

CLOSED.—There is so much ice in the Fox River, that boats have ceased running, and it is safe to say that navigation has closed for this reason. The travel therefore eastward will all have to go by stage to Ripon, instead of boat to Fond du Lac.—*Berlin Courant.*

HENRY WARD BEECHER AND HIS MALIGNERS.—The following letter from the Rev. Henry Ward Beecher was addressed to Cornelius Bramball, Esq, No 186 Fulton street. A bitter opponent of the Republican cause having declared that nothing short of a denial from Mr. Beecher himself would convince him that the report of his refusal to lecture in behalf of that cause except for a large sum was untrue, Mr. Bramball wrote to him on the subject and received the following reply:

DEAR SIR: The report which you mention, that I refused to lecture in the Republican cause for less than $400, is, like multitudes of other stories circulated about me, utterly without foundation in truth. So far from being true, I invariably refused all compensation, and only accepted my traveling expenses. It was a pleasure to me to give my time and labor as a free will offering to that which I considered, and do still consider the cause of liberty and my country.

I am, very truly, yours,
H. W. BEECHER.

### Returning Home.

The Steamer Wm. Campbell, which arrived here from the Missouri river yesterday, brought down a company of one hundred and thirty *quasi* Kansas emigrants, who were *chiefly from the Southern States*, and having become sickened with the peace prospects in the territory, are returning to their old homes. We commend them to the charitable care of the St. Louis Kansas relief company.—*St Louis Democrat, Nov. 24.*

MIGHT AND MAIN.—Gordon Cumming, the great lion slayer, was telling Rogers, one day, how he had came, unarmed, upon a huge lion. "Thinking to frighten him I ran at him with all my might," said the hunter. "Whereupon," said Rogers, "he ran away with all his *mane*, I suppose!" "Exactly so," said Cumming.

MR. SIMMS'S SECOND LECTURE.—Wm. Gilmore Simms, who has come up here to enlighten the North upon the Revolutionary history of South Carolina, *was to give his second* lecture on Friday night at Dr. Chapin's Church. At five minutes before eight there was an audience of three persons present; at half past eight there were thirteen gentlemen and four ladies on hand.—Then the gas was turned off—by the sexton, and the audience went away.—*N. Y. Tribune.*

## COMMERCIAL.

### THE MARKETS, &c.

OFFICE OF THE DAILY SENTINEL,
MILWAUKEE, November 27, 1856.

**Received by Mil. & Miss. R. R.**—56 bbls flour, 123 bus wheat, 465 do potatoes, 156 do cranberries, 81 hides, 2 bales do, 6 hogs.

**By La Crosse & Mil. R. R.**—67 bbls flour, 2,080 bus wheat, 123 do barley, 250 do *cranberries*, 60 do onions, 159 bales rags, 23 hides, 2 sacks wool, 2,501 lbs sundries.

**Do Watertown Division**—256 bus wheat 117 bbl flour, 130 hides, 5 bdls pelts, 2 bales wool, 2 casks pearlash, 4,906 lbs sundries.

Receipts from the country quite light, and market continues very dull, at previous quotations. Spring wheat sells slowly at about 83c—winter nominally 93a95c.

BARLEY—1,00a1,15—prime samples will bring the latter price—other qualities neglected.

OATS—In good demand at 40c.

Nothing doing in rye—nominally 55a60c.

POTATOES—Fair supply at 58a60c for good.

CRANBERRIES—2,18a2,25 ℘ bus.

PORK—Few dressed hogs coming in, and market dull at 4,75a5 50 according to size and quality. We copy from the Chicago *Democrat* the following from a produce firm in Boston, on the subject of the pork market:

"I have seen some our largest and most sensible pork dealers who say that they shall not embark in any packing operations in the west at the prices now quoted from Ohio, say hogs at about $6. This price is probably brought about by the momentary high prices and short supply at the East, and which is no criterion for next spring.—Last year the extensive French purchases in the west carried up the price of hogs to $6 and from there to $5,50 to $5. The losses on last spring's sales, here and in New York, were very large, and only those who bought late and sold late, made any profit. Our best dealers say they will not go into pork operations in the west to pay over $5 for hogs, which will make the cost of mess pork delivered here $16,50, cash, ℘ bbl; clear do $17,50a18 ℘ do, Lard 11½ cents ℘ lb. The present prices are no guide at all for the probable prices of February, March, April, &c. The prices last spring were only just enough to cover hogs at $5 ℘ 200 lbs, notwithstanding the early (winter) shipments to Europe were so heavy.

The absence of any extraordinary foreign demand must have a great influence on our home markets, besides which there are now 7,000 bbls. prime mess pork on the way from the Crimea to New York, said to have cost at the place of shipment $9 per bbl!"

### Chicago Market.

CHICAGO, Nov. 26.

WHEAT—Some 5,000 bu spring made up in lots at 75c in store or 80c on board; 800 bu red at 90c in store, millers are paying 80a82c for milling spring to mill, while winter is nominally $1a1,03 in store.

CORN—No sales. Nominally 34a35c in store.

BARLEY—$1,10a1,25 ℘ bu.

RYE—60c ℘ bu.

OATS—By the wagon load in bags 36a37c ℘ bu.

HOGS—But few in market to-day, and weather unfavorable. *Live Hogs* are $4a4,25 ℘ 100 lbs gross; *they average* 250 lbs each. Three of our heaviest packers have slaughtered about 10,000 each this month.

### Shipments from Racine.

[illegible] & Raymond per schr. Charmer, to Buffalo, 4,000 bus wheat, S. D. Tuckerman, *same vessel*, 4,500; W. P. Van Pelt, do, 2,500 bus, Norton, Hurlbut & Co., do, 4,000 bus. These will probably be the last shipments this season, to the lower Lakes. Cargoes for the fisheries continue to go forward, and we notice large quantities of produce yet in store for that trade.—*Advocate.*

### MARINE INTELLIGENCE.

#### Marine News.

We learn from the mate of the propeller *Dunkirk*, which arrived, *yesterday, from Buffalo*, that there were very few vessels lying under the Manitous as the *Dunkirk* passed up. The propeller towed the schooner *Fulton*, reported yesterday as leaking, to a point whence she could easily reach Beaver Harbor.

The *Dunkirk* was on Lake Huron on Saturday, but brings no accounts of any disasters. At Mackinac, on Sunday morning, there were several vessels at anchor, and a large number in the South Pass, near Old Mackinac, at Duncan, and other points through the Straits.

THE ST. CLAIR FLATS.—Surveys have been made of four different channels through the St. Clair Flats, for the dredging and improveing of which appropriations were made by Congress at its session, over the Executive veto. The surveyors recommend that the money be used for the *opening of the middle and south channels*, the latter being considered the most advantageous of the four. Not much will be done previous to next spring, towards this important work.

☞ The propeller *Illinois* did arrive here yesterday morning, having put back port on account of the severe weather.—*Wisconsin.*

Exactly—but that is not precisely "arriving from Buffalo, loaded with merchandize for this city," as you stated.

VESSELS WANTED.—Freight is accumulating at this port, awaiting shipment to the Lower Lakes, and no vessels to take it. Here are now some 500 tons thus situated. We want another propeller and two or three more vessels added to our Sheboygan fleet.—*Evergreen City Times, Nov 25.*

CORRECT.—The rumor in regard to the schooner Storm King, reported yesterday was correct. Her Captain (Murray) is here for a tug to go after her at the Manitous, whither she was taken with a jury mast after the gale. Her jib boom and head of fore-mast were first carried away, when afterwards both masts broke off close by the deck. She is laden with lumber and coal from Buffalo for this port.

BRIG BLAIR.—We learn that a dispatch was received here yesterday by her owner, Charles Harding, that this brig was dismasted in Detroit river.

ANOTHER VESSEL LOST.—We learned late last evening that the barque Norman, owned by Jas. Peck & Co. of this city was lost near Simcoe, Lake Ontario. She was bound from this city to Oswego with a cargo of wheat. No particulars learned.—*Chicago Tribune of yesterday.*

### Dalley's Magical Pain Extractor.

THE great and principal characteristics of DALLEY'S MAGICAL PAIN EXTRACTOR consist:

1st. Of its never-failing and unique property, as soon as applied to any external injury, TO CHECK INFLAMMATION instantly, and rapidly to reduce it. This feature constitutes its great power to alleviate the pain of burns and scalds, and of other painful diseases, in so incredibly short a space of time, and as will appear from the few testimonials hereunto annexed. Every intelligent mind is fully aware that, in all cases of external injury, the pain is produced by inflammation of the injured parts; and, hence, if you remove the cause the effect must cease.

2d. Its purificative properties neutralize, the poison that may lurk in the system, and will, when applied to the sores, draw rapidly all impure matter to the surface, and eject it—hence the great discharge it produces from sores occasioned by burns—and when applied to *old, inveterate* sores, Salt Rheum, or other cutaneous diseases.

Each box of GENUINE DALLEY'S PAIN EXTRACTOR has upon it a Steel Plate Engraved Label with the signature of C. V. CLICKENER & CO., proprietors, and HENRY DALLEY, manufacturer. *All others are counterfeit.*—Price 25 cents per box.

☞ All should be addressed to C. V. Clickener & Co., 81 Barclay street, New York.

### Chills and Fever.

TO THOSE who are afflicted with this disagreeable and baffling malady, we would state, that after years of hitherto unavailing research, a medicine has been discovered which will, in every case, effect a certain and permanent cure of this dreaded disease. It is not a quack nostrum prepared to extract money from sufferers, for the proprietor offers to refund the money if a cure is not effected after following the directions. He is assured by the evidence of hundreds of cures which they have effected, that this medicine is in reality the remedy so long desired in the Western country. This valuable medicine is prepared in the form of a pill, from the bark of a shrub, which has proved to be a perfect antidote to Malaria. They are simple and plain in their nature, powerful and active in their operation, and perfectly harmless to the system, having *no other* than a specific effect upon the disease which is truly wonderful. Some persons have stated that these pills must contain arsenic, or some powerful mineral, owing to their quick effect in curing this disease. The proprietor would state that he will pay one thousand dollars to *any* chemist who will find one particle of mineral in this composition.

Certificates of cure from persons of the highest respectability can be obtained by calling at the Drug Store of HENRY FESS, JR., No. 195 East Water street.

N. B. One great recommendation for these pills are, that they only require about five to effect a cure. Enquire for THAYER'S OMEGA PILL, for the immediate cure of chills and fever or intermittent fevers of every description. Prepared and sold wholesale and retail by FRED. W. ### Scrofula and Salt Rheum

Of four years standing, cured by Carter's Spanish Mixture.

WOOSTER, Wayne Co., Ohio, Dec. 1, 1855.

Messrs. BENNETT & BEERS.

Gentlemen:—Having for four years past been suffering with Scrofula in its worst form, without finding relief from our best physicians, I was solicited by a friend to try Carter's Spanish Mixture. It gives me pleasure to state that before finishing the first bottle, the disease relaxed. I then ordered two more bottles; and with heartfelt gratitude, I state to you the fact that two bottles of your excellent preparation has entirely cured me.

The third bottle I gave to a friend who had been suffering with Salt Rheum for a length of time, and he, like myself, owes his restoration to health to the virtues of "Carter's Spanish Mixture." You are at liberty to use this letter in any way you may think proper, if it will benefit the afflicted.

Your obedient servant,
nov13dlm JOSEPH ROBINSON.

### Badger State Safe Steam Works.

The Badger State Safe Manufactory of Messrs BERLINER & BRUNO though comparatively a new enterprize, has already become one of the prosperous and permanent "institutions" of our city. The proprietors have recently enlarged their works, and added greatly to their business facilities, and from small beginnings have built up a first class establishment. They commenced business rather more than two years ago employing at first only two hands and very little machinery. They now occupy the extensive premises, 215, 217 and 221 East Water St give employment to 35 hands, and have in use in their factory a very complete set of the most powerful machinery. Their workshops occupy the new three story brick building, 36 by 55 feet, just erected by them on the river in rear of 215 217 East Water Street. On the first floor is a splendid 16 horse power steam engine built by Messrs. ——, STOWE & Co. It is a beautiful piece of machinery and does its work silently but most efficiently. In the same apartment are the forges, punches cutting machines and other tools required for their business. The upper stories are used for finishing and store rooms. With the means at their command Messrs BERLINER & BRUNO can turn out from 20 to 25 safes per month varying in price from $150 to $1,500. And yet [illegible] the demand for these Safes, that they have no stock on hand.

They are now building one of the largest class Safes for the Supreme Court at Madison and a very heavy and costly vault door for the Farmers and Miller's Bank, in this city. A few days ago they were summoned, by telegraph, to Madison to repair two of the large State Safes, and accomplished the job in very short time, and in the most satisfactory manner. Indeed the specimens they have thus far given of their handiwork leave nothing to be desired. Their Safes and Bank Locks took the first premiums at our recent State Fair. We have only to add that the proprietors of the "Badger State Safe Steam Works," Messrs. BERLINER & BRUNO, are good citizens and excellent business men and that they stand in deservedly high credit at home and abroad.

THE GAME OF TEN PINS.—TOM BURNS, of the Young America Bowling Saloon, next to Davis' Livery Stable, on Main street, notifies the public by numerous handbills, of a reduction in the charge for rolling Ten Pins. The Muse has thrown her mantle on Tom's shoulders, here is an extract from his effusion in the hand bill

Dyspeptics take heed, the fault is your own
If you do not get cured, when the price has come down
To the clerk who's confined in the store all the day
A sixpence spent here would you amply repay,
All trades and professions, can Piney balls fling,
So down with the TEN PINS AT SIXPENCE A STRING.

THE OTHER SIDE OF THE STORY.—MR JAMES HACKET sends us a communication, contradicting, *point blank*, the statements made by WILCOX in extenuation of the offence charged against him of stealing a horse from Hacket's barn. Mr HACKET insists that his mare is worth more than Wilcox's horse, that Wilcox lied in his statements at the Police Court, and that he, Hacket, has lived in Milwaukee and vicinity for 20 years, and never had his character for integrity and honesty impeached.

OREGON ENGINE CO NO. —The Annual Ball of this Engine Company—one of the veterans of the Fire Department—comes off at Vogelgesang's Republican House this evening. The Company have spared no pains to make the entertainment an attractive one, and hope to see a goodly number of their fellow citizens at the festival to night

CIGARS AGAIN.—Our friends who may have felt tempted to call upon us to share in the large lot of Cigars announced in yesterday's paper as having been sent to us by Messrs L STANTON & Co. will please to understand that we intended to acknowledge a *sample* of a large lot, &c. We do not retract a [illegible] which we said in favor of the *quality* of the Cigars, or of the firm which sent them in.

ATTEMPTED SUICIDE.—A German residing in the Second Ward attempted to kill himself yesterday afternoon. He placed a loaded pistol to his forehead, just above his nose, and pulled the trigger. The ball glanced and following under the scalp came out at the back part of his head. His face was terribly burnt with the powder. He was alive last night.

RICH JEWELRY.—The advertisement of Loomis & Hoes in this morning's paper, invites attention to their large and elegant stock of Watches, Jewelry and Silver Ware. Their handsome store is already well filled, and as the Holiday season approaches they will add largely to its tempting contents.

☞ AT THE BEE-HIVE.—Messrs JACKSON & LUXTON have a handsome and well assorted stock of dry goods, which as they say this morning they intend to offer at very low prices. A call at their store will satisfy any incredulous person on this point.

MASQUERADE BALL.—We learn that our Milwaukee Musical Society are making arrangements to give a grand Masquerade Ball for the Members only, some time during the coming winter. It will undoubtedly be the grandest affair of the kind yet attempted here.

## GREAT SALE OF LOTS

IN THE CITY OF

## PORTAGE,

On the 18th day of December, 1856

THE principal real estate owners in the city of Portage, have made arrangements for a general sale of Lots in said city, at the time above named. Over one thousand lots will be offered, situated in all parts of the city. A liberal credit will be given for a part of the purchase money, if desired.

It is believed that the great advantages of this point are understood among the business men of the State.—The La Crosse Railroad is now running to within 20 miles of here, and will be completed to this city early in January next. The land grant disposed of by the last Legislature secures the completion of a railroad from Madison, and another from Columbus to this city, within two years, and from thence through the Northwestern part of the State to Lake St Croix and Lake Superior. Doubtless the able and energetic company who have this work in charge will push it forward to completion with all possible despatch. The long delayed Fox and Wisconsin River Improvement is now certain of being completed immediately, making a perfect navigation for vessels drawing 3½ feet of water from Lake Michigan to the Wisconsin River, through the canal at this place. The act of the last Legislature takes good security for this. The commercial advantages and prospects of Portage are une qualled by any town in the interior of the State, and it has no rival. The site is high, healthy and pleasant and surrounded by beautiful scenery. The city has grown rapidly, with a healthy and natural growth, and it will soon receive a new and powerful impetus. Real estate is still comparatively low. There never has been any attempt to inflate prices or speculate in fictitious values.

An opportunity is now offered to obtain property here on the most favorable terms. Let no enterprising man disregard it.

### Dreadful Accident.

NEW YORK Nov 24

A dreadful accident occurred on Saturday afternoon at the tunnel which is being cut through Bergen Hill, on the line of the New York and Erie Railroad, two miles from the city.

A shaft had been sunk at this point seventy five feet in depth, for the purpose of clearing the tunnel of the debris, and letting the workmen down. A large tub, attached to a rope, is used for lowering the men. On Saturday, five of the laborers got into the tub and when it had been lowered about five feet from the surface, the rope broke and the whole party were dashed to the bottom of the shaft. Three were instantly killed, the fourth fatally injured, and the fifth seriously. The latter two were taken to the New York hospital

The rumor that Gov Wise was about to call an extra session of the Virginia Legislature is without foundation.

### Nicaragua and Cuba.

NEW YORK, Nov 24

Gen Goicouria makes in to day's *Herald* further revelations concerning Nicaraguan and Cuban matters. Walker's first movement, he says, after the settlement of affairs in Nicaragua, was to be upon Cuba, for the purpose of conquering and annexing that island to Central America and so to form a Southern military despotism as a counterbalance to the United States. "Cuba must and shall be free," says Walker, "but not to the Yankees."

An infallible remedy for Scrofula, King's Evil, Rheumatism, Obstinate Cutaneous Eruptions, Pimples or Pustules on the Face, Blotches, Boils, Ague and Fever, Chronic Sore Eyes, Ringworm or Tetter, Scald Head, Enlargement and pain of the Bones and Joints, Salt Rheum, Stubborn Ulcers, Syphilitic Disorders, and all diseases arising from an injudicious use of Mercury, Imprudence in Life, or Impurity of the Blood.

This great alterative Medicine and Purifier of the Blood is now used by thousands of grateful patients from all parts of the United States, who testify daily to the remarkable cures performed by the greatest of all medicines, "CARTER'S SPANISH MIXTURE." Neuralgia, Rheumatism, Scrofula, Eruptions on the Skin, Liver Disease, Fevers, Ulcers, Old Sores, Affection of the Kidneys, Diseases of the Throat, Female Complaints, Pains and Aching of the Bones and Joints, are speedily put to flight by using this inestimable remedy.

For all diseases of the Blood, nothing has yet been found to compare with it. It cleanses the system of all impurities, acts gently and efficiently on the Liver and Kidneys, strengthens the Digestion, gives tone to the stomach, makes the Skin clear and healthy, and restores the Constitution, enfeebled by disease or broken down by the excesses of youth, to its pristine vigor and strength.

For the Diseases of Females it is peculiarly applicable, and wherever it has become known is regularly prescribed with the happiest effects. It invigorates the weak and debilitated and imparts elasticity to the worn out frame, clears the skin, and leaves the patient fresh and healthy. A single bottle of this inestimable remedy is worth all the so called Sarsaparillas in existence.

The large number of certificates which we have received from persons from all parts of the United States, is the best evidence that there is no humbug about it. The Press, hotel keepers, magistrates, physicians and public men, well known to the community, all add their testimony to the wonderful effects of this GREAT BLOOD PURIFIER.

Call on the Agent and get an Almanac, and read the details of astonishing cures performed by CARTER'S SPANISH MIXTURE (IN MOST CASES WHERE EVERY THING ELSE HAS FAILED). The limits of an advertisement will not admit their full insertion.

The testimony in its favor given by the most prominent and well known Physicians and individuals in all parts of the country is immense, and a careful perusal of the Almanac, published annually by the proprietor, and to be had gratis of any of his Agents, cannot but satisfy the most skeptical that this remedy is really deserving the great celebrity it has obtained.

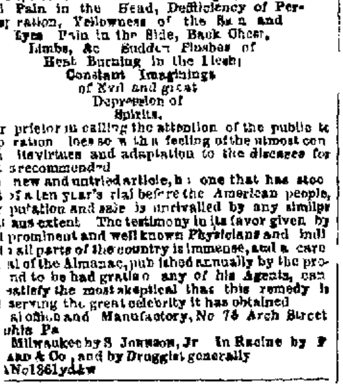
## BOERHAVE'S

## HOLLAND BITTERS



THE CELEBRATED HOLLAND REMEDY FOR

DYSPEPSIA,

DISEASE OF THE KIDNEYS,

LIVER COMPLAINT,

WEAKNESS OF ANY KIND,

FEVER AND AGUE,

And the various affections consequent upon a disordered

STOMACH OR LIVER,

Such as Indigestion, Acidity of the Stomach, Colicky Pains, Heartburn, Loss of Appetite, Despondency, Costiveness, Blind and Bleeding Piles. In all Nervous, Rheumatic and Neuralgic Affections it has in many instances proved highly beneficial, and in others effected a decided cure.

This is a purely vegetable compound, prepared on strictly scientific principles, after the manner of the celebrated Holland Professor, Boerhave. Because of its great success in most of the European States, its introduction into the United States was intended more especially for those of our fatherland scattered here and there over the face of this mighty country. Meeting with great success among them, I now offer it to the American public knowing that its truly wonderful medicinal virtues must be acknowledged.

It is particularly recommended to those persons whose constitutions may have been impaired by the continuous use of ardent spirits or other forms of dissipation. Generally instantaneous in effect it finds its way to the seat of life, thrilling and quickening every nerve, raising up the drooping spirit, and, in fact, infusing new health and vigor in the system.

NOTICE.—Whoever expects to find in this a beverage will be disappointed, but to the sick, weak and low spirited, it will prove a grateful aromatic cordial possessed of singular remedial properties.

CAUTION!

The great popularity of this delightful Aroma has induced many imitations, which the public should guard against purchasing. Be not persuaded to buy anything else until you have given BOERHAVE'S HOLLAND BITTERS a fair trial. One bottle will convince you how infinitely superior it is to all these imitations.

Sold at $1 00 per Bottle, or six Bottles for $5 00, by the

### TO THE PUBLIC.

THIS is to certify, that in consideration of the many misfortunes which have attended me in the erection of my Saw Mill, at Mapleton, in the town of Oconomowoc, Waukesha County, I deem it proper and in justice to say, that the troubles arising in the starting of my Mill, did not lay in the fault of the machinery or water wheel, patented by J. D. Goodwin, and manufactured by Decker & Seville, but from other causes, and I do most cheerfully recommend said water wheel, to the Milling community, as being the best wheel now in use, for driving any kind of machinery, and that it has fully come up to all the recommendations given to it. I shall take great pleasure in showing my Mill, to any one desirous of using the best water wheel in the State. In conclusion I would say to all parties building Mills, to profit by my experience, and employ none but good, honest, steady and efficient Millwrights, and you will save money.

The Commercial Course comprises Book Keeping by Double Entry, in its various forms as adapted to Wholesale, Retail, Commission, Manufacturing, Custom House, Banking, Railroading, in stock partnership, and compound Company business, Commercial Calculations in per centage, Exchange, Bank and Regular Discounts, Averaging, Accounts by Simple and Compound Equations, &c., according to the most approved methods, Commercial Correspondence, including account sales, account currents, drafts, bills of exchange, &c., &c.

Also, a perfect system of detecting Counterfeit Bank Notes, will be given to each student.
